

## Experience the original danish nature - activities for institutions, companies and private parties.

Helnæs Mill offers a wide range of opportunities for activities and accommodation. We can accommodate 30 overnight guests indoor as well as accommodation in outdoor tents and shelters for approx. 100 persons.

With its location right next to the Helnæs bay, Helnæs Mill provides a unique opportunity for coastal activities - including sailing in dinghies, canoes and kayaks. The shallow area at the outdoor area is ideal for both swimming and exploration of life at sea.

Helnæs Mill is used all year around for both individuals and institutions - from kindergartens to universities, clubs, companies and families.

Use the site with or without the associated Nature guides or use the site for festive or course business - you will have the accommodations and activities right at your fingertips.

**With its location down to the calm waters of Helnæs Bay and within walking distance from the Little Belt, Helnæs Mill forms a unique starting point for exploring the coast.**
